AMUSEMENTS

THE "CONFESSION" AT THE BUTLER THEATRE TODAY

Henry B. Walthall, who burst on the motion picture world in David Wark Griffith's astounding production "The Birth of a Nation," has here at the Butler today in another character which promises to bring him more fame than anything he has ever done. The picture tells of a priest in whose breast lies knowledge that would save the life of his brother, accused of a murder which he did not commit, but the sacred seal of the confessional prevents the priest from using his knowledge.

Suspense, terrific dramatic scenes, a tremendous fight in a swift moving freight car; a court scene that makes the spectator hold his breath by its sheer power; the awful hour when the condemned man stands on the trap, black-hooded and waiting for the trap to drop. These are a few of the things which make "Confession" the strongest dramatic picture that has come out of motion picture studios.

Walthall is wonderful in his depiction of the priest, Father Bartlett, and his producer has given him as fine a company of supporting players as it is possible to find anywhere.

The picture is one that nobody should miss. It has all the elements that go to make a gripping play, and it holds interest from the first moment to the last.

HIGHWAY WORK DISCONTINUED

SACRAMENTO, June 8.—The state highway commission has ordered that work on projects estimated at a value of a million dollars discontinued. The commission said this was a "readjustment" that would make the highway bonds salable at par. Among the projects temporarily discontinued are jobs in Tehama, Monterey, Shasta, San Luis Obispo, Kern, Humboldt and Tulare counties. Contract work will proceed for the present.

GASOLINE SHORTAGE

The gasoline shortage in the coast cities is being felt in Tonopah due to supplies intended for this district being diverted to other places. Information from reliable sources indicate that it will be at least 30 days before supplies are back to normal.

In the meantime it would be well if motorists of Tonopah would conserve gasoline by doing as little unnecessary driving as possible. The dealers of Tonopah have agreed to do their best to see that each motorist receives his share of the supply.

Beginning Wednesday, June 9, filling stations will limit motorists to half a tank of gasoline.
